PERSONAL

Dear Allen:

You will recall that I came to see you a couple of weeks ago in connection with radio broadcast facilities overseas in preparation for our subsequent meeting with the President. At that time I left with you a copy of my report to the President with the request that it not be given general staff circulation, and ultimately would be returned to me.

I would appreciate its return, together with any comments you might have as to what you feel would be inaccuracies or misstatements. If there is anything serious I would communicate it to the President. If you wish a copy of this report for your files, I would be glad to discuss it with the President. You will understand my feeling that it is inappropriate for me to make distribution of a report to the President without his approval.

Sincerely,

Gordon Gray
Director
